## Teacher Hazel Cameron Honored By Community

Between 250 and 300 grade 3, 4 or 5 former pupils of the Vulcan public schools, their parents and friends, gathered in the High School Auditorium Saturday evening, to honor Miss Hazel Cameron, on completion of 30 years on the teaching staff here. The community project was attended by several former pupils from Calgary and other points, as well as the many friends from Vulcan and surrounding districts.

In keeping with the school theme a fine program, with Mrs. M. L. Todd as chairman, commenced with the ringing of the school bell and all joining in singing "Good Morning, Dear Teacher" upon Miss Cameron's arrival. Greetings from the parents were brought by Mrs. R. Graham.

Sixteen former girl pupils, led by Mrs. R. Jamison, comprised a fine choral group, whose singing was much appreciated. Students of the 1923 class, all now married and with children of their own attending school, formed a spelling class with their former teacher calling the words to be spelled. Members of this class were Harold Bride, Margaret (Allan) Fisher, Gladys (Brickbank) Love, Marjorie (Lommatsch) Denbigh, Howard Spaeth, Rhoda (Seebie) Blythe, Ivan Haga, Hannah (Clarkson) Matlock, Ruth (Peterson) Lockhart, (who was unable to attend), Mildred (Ulrich) Wylie, Bob Parslow, Pat Roe, Stuart Campbell, Jimmie Jensen, Bob Hill took part in the bee although he was not of this class.

Wires of congratulations from Rev. E. A. Justice and Alex Woodward of Calgary were read.

Frank Burchak, principal of the public school, brought greetings from the teachers and spoke glowingly of Miss Cameron's real interest in the young people and of her position as vice-principal of the public schools. He also commented on her interest in teaching music to most of the classes, always one of her favorite subjects.

Much reminiscing of past days was enjoyed by all present. Some recalled Miss Cameron coaching her pupils for music festivals as well as their regular studies. And, true to character, Miss Cameron was in possession of her tuning fork on this occasion.

The training of the St. Aldhelm's Church choir and a most active

participation in the other activities of the church, too has claimed much of the time and efforts of this well-loved citizen.

Representing each year Miss Cameron has taught here, one student was chosen to present her with a red carnation and those taking part were for 1928, Jeanette Hansen; 1929, Jimmy Jensen; 1930, Margaret Fisher; 1931, Mary Scott; 1932, Bill Lucas; 1933, Vernal Haga; 1934, Don Jantzie; 1935, Alice Voisey; 1936, Dave Montgomery; 1937, Marjorie Weber; 1938, Glen Graham; 1939, Almond Hyslop; 1940, Joan Menzinger; 1941, David Mitchell; 1942, Bobby Loose; 1943, Jimmie Walker; 1944, Billy Hansell; 1945, Michael Jantzie; 1946, Connie Giesbrecht; 1947, Glenna Joiner; 1948, David Saxby; 1949, Fay Schmidt; 1950, Douglas Scotney; 1951, Barbara Budd; 1952, Lee Sommerville; 1953, Camery Brown; 1954, Harvey Eamor; 1955, Leslie Munro; 1956, Linda Parker; 1957, Sally Giles. One extra flower was presented to the veteran teacher by Arthur Cutforth, who was her pupil in the 1919-1920 class at Barons, when she started her teaching career. Miss Cameron was also presented with the 1958-59 school year book, which had been dedicated to her.

J. M. McKay, chairman of the School Committee of the County Council, presented the guest of honor with a cheque on behalf of the County and expressed the good wishes of her friends in the school circles. Mayor William Munro, on behalf of the town and community presented Miss Cameron with a purse of money and voiced the hope that she would continue in her position as teacher for some time to come. He commented on the many services she had rendered to young and old alike, since coming to Vulcan. Miss Cameron very graciously thanked her numerous friends for the honor shown her and also for their generosity.

All joined in singing "For She's a Jolly Good Fellow" after which lunch was served by the Ladies' Guild of St. Aldhelm's Church.

Among those who travelled from Calgary for this evening were Mrs. Kay (Stack) McCullough and her brother, Louis Stack; Frank and Connie Hosky; Mrs. Ellen (Loose) Simone, Mrs. Mildred (Ulrich) Wylie and Mrs. Rhoda (Seebie) Blythe.

## Regular Meeting WWS Group

The regular meeting of the WWS was held recently at the home of Mrs. A. Schierman. This being the annual mother and daughter meeting, the devotions were in charge of Mrs. J. Schierman and her daughter, Sandra. During the very interesting program a short playlet on stewardship was presented by Mrs. J. Schierman, Violet Hiltz and Mrs. N. Leback. A poem, "I Love You Mother" was read by Sandra Schierman. A period of prayer was observed.

During the business meeting, used greeting cards were gathered and a committee consisting of Mrs. H. Hiltz, Mrs. A. Hiltz and Mrs. H. Leback was appointed to package these and send them to missionaries.

A letter from Irene Kuigstadt was read telling about, "Japan," a little orphan girl in Maiti. It was decided to adopt this orphan using the money from the "Penny Parade", a missionary offering taken at Sunday School the first Sunday of the month.

Mrs. W. Becker was presented with a small gift for her baby.

Mrs. A. Schierman and Mrs. E. Delmert brought very interesting reports on the annual convention which was held in Didsbury.

The June meeting will be in the form of an outdoor meal and devotional at Little Bow Park.

A very delicious lunch was served by Mrs. A. Schierman and Mrs. E. McIntyre.

An executive meeting was held at the home of Mrs. N. Leback at which time a year's program was outlined. Booklets are to be made of this information for each member of the society.

## Elks Lose One, Win Two

Vulcan's entry in the Foothills Baseball League journeyed to Enchant on May 28, where they were defeated by an 11 to 7 score.

Thomson pitched the first six innings and was charged with the loss with Jordan pitching the final inning. The Elks left the bases loaded no less than three times but couldn't score in the clutch.

Sunday, however, was a different story as the Elks returned to the friendly confines of their own park to blast out wins of 19 to 9 and 6 to 5 over the Lomond nine.

Robbie Thomson was the man of the hour as he came in to relieve Mike Jantzie with the score being Lomond 7, Vulcan 5. Thomson held the visitors to just two runs while his mates went on a scoring spree and won going away.

In the second game Thomson also starred in relief as he came on to get the side out after the Lomond crew had taken a 3 to 2 lead off starter Mel Jordan.

Dave Mitchell continued his long ball hitting as he smashed a pitch over the fence in the first inning of the first game.

Next action at the local park will be Wednesday, June 11, at 6 p.m., when the Elks will host Blackie.

## High River Group Is Entertained

Members of the Vulcan United Church Hi-C Group entertained 15 members from the High River Hi-C Group on Sunday morning to breakfast in the church hall. Bob Schrag, Brian Erickson and Dennis Nault were the chefs for the occasion and were highly commended for their first-rate pancakes.

Following a short business meeting, President Jay Scott called upon Counsellor W. A. Shields to introduce the guest of the program, Mrs. Donald Sharpe, Mr. Shields then conducted an interview with Mrs. Sharpe, wife of the newly inducted minister of the Vulcan United Church, bringing out some of her interests.

During this interview it was discovered that Mrs. Sharpe is a keen enthusiast in the Christian Drama Field, an organization which is only about four years old and it would appear that there is a wide opening for such productions in the years to come.

Miss Betty Beitz of the High River Club then thanked the Vulcan Group for their invitation to breakfast and expressed the hope that the clubs could get together more often.

## FUA Local Plans Annual Picnic

The regular monthly meeting of the joint Vulcan West FUA was held at the home of Mr. and Mrs. Wm. Lucas Monday evening, June 2, with eight members in attendance.

After the regular business was dealt with, new business was attended to, namely six delegates being appointed to attend the district 12 convention to be held in Vulcan on June 16. Also Wm. Lucas, one of the leaders of the local 4-H Beef Club, asked for volunteers to assist in preparing the Vulcan skating rink for the coming 4-H Beef Show and Sale on June 21. The date set for doing this work is June 16 and anyone who is free on that date, their assistance would be greatly appreciated.

A picnic was then planned in conjunction with a tour the 4-H Club plan to make through a Calgary meat packing plant on June 13, "farmers' day". It was decided the FUA members and their families would continue on another tour through one of the dairies, then journey back to the High River Park for the annual picnic. All members of the Vulcan West FUA are asked to keep these plans in mind and for further information please call the secretary, Mrs. Wm. Lucas.

The CGIT and Explorer Groups of the Vulcan United Church concluded their year's activities on May 23, with a Mother and Daughter banquet which was held in the church hall.

About 65 mothers, daughters and guests enjoyed the banquet which was prepared and served by the girls under the guidance of their leaders, Mrs. W. A. Shields, Mrs. G. Ness and Mrs. Ray Wellman.

Some crop damage from hail has been reported north and east of Vulcan but it is early enough in the season that damaged fields will likely make a good comeback.

May was a very dry month and the showers and cool weather of this past week have been very welcome. The crop situation is considered generally good although a good, soaking general rain would be most welcome.

## The Water Situation

Residents of Vulcan have been asked to voluntarily restrict the use of water on gardens and lawns. The continued dry weather in May led to an increasing demand for water to the point where, last week, the three wells supplying the town system were unable to cope with the demand and the overhead tank was drained. Although the town was never without water, the pressure dropped so low it created a real inconvenience.

Fortunately, the town is not entirely dependent upon hydrants for fire protection, having three large underground cisterns located at strategic points.

It is to be hoped this situation will not occur again, because lack of water can seriously hinder the development of a town. Most wells drilled here produce a good supply of water, even though the quality leaves something to be desired because of its over-high soda and glauber's salt content.

This week a fourth well is being placed on production, which should ease the situation to some extent, and the water department is planning for two more wells this year. Six wells should provide ample water for the present and the new wells will pay for themselves through the increase in consumption.

The water department is aiming at having enough water available to meet all demands in future years.

**District News****FARROW**

Raymond Allan, infant son of Mr. and Mrs. Allan Gehrke was christened on Mother's Day.

Christening services were held at Farrow, following the regular services at which time Mary Bodell, Arthur, Wayne and Robert Moore were christened.

Mr. and Mrs. Paul Randle at-

tended the graduating exercises, banquet and reception in Calgary, when Lorena Norton of Aldersyde received her diploma.

Mr. and Mrs. Harold Tresader and Mr. and Mrs. Melvin Raycraft drove down around Brooks, Armada and surrounding areas recently and tell us that if anything the land is in worse need of rain than the Farrow district.

Mr. and Mrs. Melvin Raycraft were in Olds last weekend visiting Mrs. Raycraft's sister up there.

Mrs. Marjorie Stevens was a patient in High River hospital for a few days last week.

We would like to express our sympathy to Mr. and Mrs. Jack Thurber on the passing of Mrs. Thurber's cousin last week and in the sudden loss of a sister of the deceased in a car accident while returning to their homes following the funeral. The other passengers in the car are in hospital at Vulcan.

Mr. and Mrs. Ronnie Baker motored to Edmonton Friday, where Ronnie is scheduled to participate in a "shoot" being held there.

So far the Farrow district has not been so fortunate as others with their rainfall. We have only received light showers which have done no appreciable good.

**W.A. Meeting**

The May meeting of the Farrow WA was held at the home of Mrs. Lorne McWilliam. Roll call was answered with the paying of five cents for each year married.

It was decided to appoint a committee to have membership pins made for those having belonged to the Farrow WA for fifteen years. Tentative plans were made to hold the round-up of the WA's of the Blackie charge on June 17. The ladies are all asked to turn out on June 16 for clean-up day at the church.

A very delicious lunch was served following the adjournment by Mrs. L. McWilliam, assisted by Mrs. May Raycraft.

**LOMOND**

Congratulations are extended to Mr. and Mrs. Tim Ost on the birth of a daughter, in the Vulcan hospital on Wednesday, May 21. Name: Rhonda Mae; weight, 7 lb. 15 ounces.

Mrs. Ralph Richardson and family of Berrywater have returned home after spending the past week in Lomond while Mrs. Richardson's mother was a patient in the Vulcan hospital.

Mr. and Mrs. P.S. Ruppert and family accompanied by Terry Chase were Sunday visitors at the home of Mr. and Mrs. Ralph Richardson of Berrywater.

Mr. and Mrs. James Teasdale and family of Turin, were Sunday visitors at the home of Mr. and Mrs. Thomas Teasdale.

Mumps are still the going thing in Lomond with quite a number of adults down with them as well as the children.

Mr. and Mrs. Hirst Goldthorpe and son were recent Sunday visitors at the home of Mr. and Mrs. Stan Craig in Bassano.

Mr. and Mrs. Oscar Hoffman are spending a holiday in Banff and Penticton, B.C.

Mrs. E. A. Bennett, District Health Nurse, has returned home after attending a convention in Edmonton.

**Home and School Association**

The regular monthly meeting of the Lomond Home and School Association was held in the Lomond School Auditorium on Wednesday evening, May 14, 1958, with a fairly good crowd in attendance. The main topic of business for the evening includes discussion and final arrangement of details for the closing exercises to be held for Grades 9 and 12 students; discussion of a school picnic and care of the school grounds, and discussion of the Lions' Charter Night Banquet at which the Home and School members are to serve.

A motion was passed, determining certain individuals who are to be included among the invited guests at the closing exercises and banquet each year. Funds were voted for refreshments for the students at the picnic planned for them in June.

It was decided that the trees surrounding the school grounds should be cultivated and cleared of weeds, and that the grounds themselves should be cleaned. However, no definite date was set for these activities.

Discussion of the purchase of a set of encyclopaediae for the school was tabled until the June meeting, at which time some definite action is to be taken.

The program for the evening consisted of a most interesting and entertaining report given by R. Ruggles on the Home and School Convention held in Edmonton earlier this month. Mr. Ruggles particularly stressed the good time enjoyed by delegates to the convention in spite of previous beliefs to the contrary, newness of surrounding, and the great number of people assembled there. He also emphasized the great need for better teachers, and for better pay-checks for the work that they do. He explained the new division of Alberta with regard to Home and School Districts, and informed the members present of the pamphlets and other material brought back from Edmonton, which were free for their inspection.

After Mr. Ruggles' humorous and enjoyable talk, the meeting was turned over to the social committee, who brought the evening to a pleasant close by serving a most delicious lunch.

**GUILTY HUMAN HANDS**

The belief that spontaneous combustion starts forest conflagrations is without foundation. Four-fifths of the fires in most provinces are set by public carelessness, although lightning plays a major part in northern Ontario and British Columbia. Campfires and lighted tobacco account for a third of the outbreaks in all Canada.

### WHEN SUNDAY ISN'T SUNDAY

I know a thousand things to do when Sunday rolls around. But most of them will interfere with Worship, I have found. If I use the day for pleasure, I have conscience in the lurch. For Sunday isn't Sunday, unless I go to church. A man may tinker with his car or take his shotgun out, Or he may grab a rod and reel and try to catch some trout. A woman has her household tasks, like mending socks or shirts. But Sunday isn't Sunday to those neglecting church. We can follow inclination and just loaf around all day; We can eat and sleep, and eat some more but take no time to pray. The habit of indifference will any soul besmirch, And Sunday's never Sunday unless we go to church.

## Notice Re Water

The continued dry weather has created a heavy demand for water—greater than the present number of wells in operation can supply and still maintain adequate pressure.

Residents are therefore asked to use all care in preventing wastage of water and to avoid too frequent watering of gardens and lawns.

Continued heavy usage of water may make it necessary to impose watering restrictions. Your co-operation is requested.
